

Cognitive Development Society

CDS 2026

April 9 – 11, 2026

Montreal, Canada

SPONSORSHIP PROSPECTUS

Dear Collaborators and Industry Partners,

On behalf of the Cognitive Development Society (CDS), we are pleased to invite you to support the **14th edition** of the **CDS Meeting**, taking place in **Montreal, Canada**, from **April 9–11, 2026**. This event presents a valuable opportunity to showcase your products and engage directly with leading researchers and professionals in the field.

We anticipate welcoming **approximately 800 to 900 attendees**, including a diverse range of scholars, practitioners, and professionals interested in the processes that shape cognitive development. Some attendees focus on foundational research and theory, while others apply their work to policy and practice. Many rely on cutting-edge tools and technologies—like those your organization offers—to advance their work.

The meeting will be held at the iconic **Hotel Bonaventure**, a unique urban resort in the heart of downtown Montreal.

We invite you to **advertise** in our conference program, **exhibit** your products, or **sponsor** elements of the conference to gain meaningful visibility with this engaged and influential community. Full details can be found within this sponsorship package.

Sincerely,

Andrei Cimpian, New York University
President, Cognitive Development Society

2026 Conference Chairs

Cristina Atance
University of Ottawa

Ori Friedman
University of Waterloo

Cognitive Development Society

About Us

The **Cognitive Development Society (CDS) Meeting** is a leading international conference that brings together researchers from psychology, neuroscience, education, linguistics, and related fields.

Attendees include:

- principal investigators
- postdoctoral fellows
- graduate students
- industry representatives
- government representatives

While most delegates are based in the U.S., the meeting attracts a growing international audience from Canada, Europe, Australia, and Asia.

Sponsorship offers a unique opportunity to:

- Connect with leading and emerging researchers
- Align your brand with cutting-edge science
- Demonstrate your commitment to innovation in cognitive development
